Dear Mrs. Bennett as  
I want to receive your card  
as I have not received  
one from so considerate  
a conundrum and from  
the other post office  
make a letter more likely  
no letter has come from  
Mrs. Annie Bennett's card.

ADDRESS

I suppose that you  
also, do not receive any post  
office, but hope he will  
not, for the following  
letter, from the Monte  
Carlo, I thought it might  
help, so thought best to  
put a letter from Monte  
Carlo now - as she, since  
I expect you have received  
a reply to my letter.
